### Current Affairs Related to 24 January

- ◆ **The board of directors** approved the acquisition of 100 per cent of the issued equity share capital of Capital Foods Pvt Ltd, Tata Consumer said in an exchange filing. Capital Foods is best known for marketing products under the Ching's Secret and Smith & Jones brands. This deal has been done for Rs 5100 crore. The FMCG company said it will initially acquire 75 per cent equity shareholding, with the remaining 25 per cent to be acquired over the next three years.
- ◆ **China firmly opposes external interference in the internal affairs of the Maldives.** Maldives and China agreed to upgrade strategic cooperation to a Comprehensive Strategic Cooperative Partnership. The two governments will draw up an action plan to build a China-Maldives comprehensive strategic cooperative partnership from 2024 to 2028. Both sides also agreed to expand practical cooperation in various fields. The two countries announced Maldives' participation in the Global Security Force Initiative.
- ◆ **Indian Army will observe 2024 as Technology Absorption Year.** This theme underlines the commitment to leverage technology as a catalyst of transformative change. It will utilize domestic expertise to meet operational and logistics requirements and shape these projects in collaboration with the domestic defense industry. Earlier, the Army had declared 2023 as the year of change. Indian Army personnel are being trained to leverage technology and effectively exploit the cyber domain through institutional, procedural and technical measures.
- ◆ **The Animal Husbandry Department has issued advisories to protect animals from cold wave** in Haryana. This advice is for all the districts of the state. The Animal Husbandry Department has also instructed veterinarians to remain on alert. The department has urged all cattle owners to follow the advisory. Animals experience a drop in temperature during winter.
- ◆ **National Payments Corporation of India has launched UPI PayNow linkage,** facilitating direct remittances between India and Singapore. The collaboration is a result of close coordination between the Reserve Bank of India and the Monetary Authority of Singapore, aimed at enhancing financial inclusion and convenience in cross-border transactions.
- ◆ **The Government of India has announced the second extension of one year for RBI Deputy Governor Michael Debabrata Patra.** This reflects continued confidence in his leadership. The Government of India recently announced the extension of the tenure of Michael Debabrata Patra as Deputy Governor of the Reserve Bank of India by an additional year. This is the second time that the government has decided to extend his tenure, showing confidence in his leadership and expertise in running key departments within the RBI.
- ◆ **National Institute of Construction Management and Research, located in Hyderabad, has been awarded the prestigious Platinum Certification** by the Indian Green Building Council under its Green Campus Rating Programme. This achievement highlights NICMAR Hyderabad's commitment towards sustainability and environment-friendly practices in its campus operations and infrastructure.
- ◆ **DRDO successfully flight tested new generation Akash missile from Chandipur.** Flight tests were conducted against high-speed unmanned aerial targets at very low altitudes. The target was successfully intercepted and destroyed by the missile. The test validated the functioning of the entire weapon system including the indigenously developed radio frequency seeker, launcher, multi function radar and command, control and communication system.
- ◆ **President Draupadi Murmu posthumously presented the Tenzing Norgay National Adventure Award** to brave mountaineer Savita Kanswal of Lothru village in Uttarkashi district at a function.
