Current Affairs Related to 3 January

- ◆ In view of the emerging threats in the Indian Ocean region, India is ready to set up a National Maritime Domain Awareness Centre. The final contract for setting up the National Maritime Domain Awareness Center is expected to be signed early next year. It will be a multi-agency centre. Its primary objectives are to collect, analyze and provide actionable information to combat maritime challenges such as terrorism, piracy, smuggling and illegal fishing. Along with this, the Center will also monitor the increasing Chinese naval activities in the IOR.
- ◆ The Reserve Bank of India has approved the appointment of C S Rajan as part-time chairman of Kotak Mahindra Bank, a significant development for the financial institution. Rajan's tenure will begin in January 2024 and will last for a period of two years. CS Rajan's association with Kotak Mahindra Bank began when he was appointed as an independent director on the board on October 22, 2022.
- ◆ In the world of engineering marvels, bridges stand as a testament to human ingenuity and innovation. One such extraordinary structure has attracted global attention, surpassing all others in length and grandeur. The Danyang Kunshan Grand Bridge holds the title of the longest bridge in the world, with a total length of just under 164.8 km. In this article we will learn about the longest bridge in the world and the list of top 10 longest bridges in the world and their important details.
- ◆ India paid a special tribute to one of its legal stalwarts, Justice Konda Madhav Reddy, as Vice President Jagdeep Dhankhar released a special postal cover. Which is an important occasion to celebrate his invaluable contribution to the Indian legal system. The ceremony took place at AV College in Gagan Mahal, Hyderabad where the legacy of Justice Reddy was commemorated.
- ◆ The name of Ayodhya railway station was changed to Ayodhya Dham. Ayodhya Dham Railway Station is now a seamless blend of ancient Indian architecture with modern facilities. The holy city of Ayodhya is getting ready for a major makeover with the renaming of its iconic railway junction and the inauguration of a new airport. The station building looks like a majestic temple, adorned with domes, pillars, arches and frescoes depicting the life and glory of Lord Rama. Inter passengers are likely to find all the facilities required for a comfortable journey including lifts, escalators, a tourist information center and medical facilities.
- ◆ Production Linked Incentive Schemes launched by the Government of India have emerged as a major driver to attract investment and promote manufacturing in various sectors. These initiatives have garnered an impressive investment of Rs 95,000 crore till September, which is a significant progress towards enhancing India's manufacturing capabilities and exports. In the Union Budget 2021-2022, the government allocated a substantial outlay of Rs 1.97 lakh crore for PLI schemes, underscoring their strategic importance in boosting economic growth.
- ◆ The Reserve Bank of India released a report praising the performance of Indian banks and non-bank lenders, emphasizing the need for stronger governance and risk management practices to strengthen their balance sheets. Despite a significant 12.2% growth in the consolidated balance sheets of scheduled commercial banks in 2022-2023, the RBI underlined the importance of continued reform.
- ◆ Gwalior, often known as the city of music, recently witnessed an extraordinary scene when 1500 tabla players gathered at the historic Karna Mahal in Gwalior Fort. This massive gathering not only created a Guinness World Record for the most number of people playing tabla simultaneously, but also marked an important moment in the city's rich musical heritage.
