Current Affairs Related to 23 February

- ◆ Four power distribution companies in Delhi and Uttar Pradesh have achieved the prestigious A rating in the latest consumer service rating report of the discom. The report released by Power Minister RK Singh is a comprehensive assessment of discoms across the country, aimed at enhancing their accountability towards consumers. Notable achievers include BSES Rajdhani Power Limited, BSES Yamuna Power Limited and Tata Power Delhi Distribution Limited.
- ◆ The Central Government constituted a committee to recommend steps to protect the interests of the Scheduled Caste communities. This committee will ensure fair allocation of benefits to the most deprived communities of the Scheduled Castes. This committee will be headed by the Cabinet Secretary. Secretaries of the Ministry of Home Affairs, Department of Personnel and Training, Ministry of Tribal Affairs, Department of Legal Affairs and Department of Social Justice and Empowerment will be members of the committee. The main concern of the government is that the benefits of reservation and welfare/developmental schemes are not being distributed equally among the Scheduled Castes.
- ◆ The government expanded the scope of activities in the international financial centre. The government has included services such as bookkeeping and accounting in the International Financial Services Centre. Various services including bookkeeping, accounting, taxation and financial crime compliance will be launched as part of the Financial Services Center at the International Financial Services Centre. The Finance Ministry has issued a notification regarding expansion of services at the International Financial Services Centre.
- ◆ According to the study, tetrahydrocannabinol derived from hemp can fight methicillin-resistant Staphylococcus aureus. Scientists at Jammu CSIR Laboratory found that phytocannabinoids, a class of compounds found in the hemp plant, have some antibiotic properties. Cannabinoids are a class of compounds found in the cannabis plant. They bind to receptors in the animal's body to produce a variety of neurological effects.
- ◆ The International Cricket Council has announced the Men's and Women's T20I Teams of the Year for 2023 in recognition of exceptional performances in the shortest format of the game. The selection highlights players who have excelled with the bat, ball or as an all-rounder throughout the calendar year. The Men's T20I Team of 2023 is a mix of rising stars and established talent from around the world. It includes players from India, England, West Indies, New Zealand, Zimbabwe, Uganda and Ireland.
- ◆ Sony issued a notice to terminate the merger agreement with Zee Entertainment Enterprises Limited and Culver Max Entertainment Pvt Ltd, formerly known as Sony Pictures Networks India Pvt Ltd. The \$10 billion deal, signed on December 22, 2021, faced challenges in meeting the closing conditions within the specified deadline.
- ◆ Indian documentary film To Kill a Tiger has been nominated for the 96th Academy Awards in the Best Documentary Feature Film category. To Kill a Tiger is directed by Delhi-born Nisha Pahuja. This documentary is an emotional journey of an ordinary person facing extraordinary circumstances. Last year, the film got a theatrical release in North America.
- ◆ Union Home Minister Amit Shah inaugurated the Center of Excellence for Digital Forensics. The inaugural session was attended by Union Home Secretary Ajay Bhalla, National Human Rights Commission Chairman Justice Arun Kumar Mishra and Gujarat Law and Justice Minister Rushikesh Patel. The Center of Digital Forensics Excellence will help address crimes that are driven by misuse of technology. This will provide investigators with digital weapons against cyber crimes.
- ◆ Prime Minister Narendra Modi announced Pradhan Mantri Suryodaya Yojana. Under this scheme, one crore families will get rooftop solar energy systems. This is a major scheme of the Central Government.
